

Deepdene Primary School

2025 PARENT PAYMENT ARRANGEMENTS

Dear Parent/Guardians,

Deepdene Primary School is looking forward to another successful year of high standard teaching and learning and would like to advise you of Deepdene Primary School's voluntary financial contributions for 2025. Your contribution is of vital importance in reaching our 2025 budget and providing our students with high quality teaching and classroom settings, information technology equipment and facilities to ensure the best possible learning outcomes for all our students. We have made every effort to keep the cost of items and activities to a minimum and affordable for all families.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Your contributions and support allow us to provide students with all materials, curriculum programs, and facilities to provide our students with the best possible learning environment. For example: a wide range of subjects and curriculum experiences; enhanced digital learning opportunities; the continued improvement of our 110-year-old main building; the upgrade of air-conditioning and heating in all classrooms and the recent upgrade of our playgrounds.

We want to thank you for all your contributions and support throughout the year including fundraising and volunteering your time. This makes a huge difference to our school and the programs we can offer.

Payment methods

Parents will be provided with early notification of annual payment requests (a minimum of 6 weeks prior to the end of the current school year). Reasonable notice will be given for any other payment requests during the year (i.e., camps, swimming).

Parents are encouraged to pay using the Payment Centre module on Compass. Please contact the office should you require alternate payment options.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Tim Green
